01

Agree the price before you start

Get a clear yes on the price and scope, in writing, before any work begins.

WITH PAIDFAST

Clients approve quotes online. One click turns them into an invoice.

02

Invoice the day you deliver

The longer you wait to bill, the longer you wait to be paid.

WITH PAIDFAST

Create an invoice and send it by email in a few taps.

03

Put a due date on every invoice

"Pay when you can" quietly becomes "pay never". Be specific.

WITH PAIDFAST

Every invoice shows the amount due and the due date up front.

04

Make paying one tap

Don't make clients hunt for your bank details.
Send a link they can pay from.

WITH PAIDFAST

Every invoice has a pay link. On Starter, clients pay online through Pesapal.

05

Nudge before it's late

A friendly reminder before the due date beats an awkward chase after it.

WITH PAIDFAST

Automatic reminders go out before and on the due date, so you don't have to.
