Quote. Invoice. Receipt. Statement. What's the difference?

The 4 documents every freelancer and small business sends.

Swipe →

QUOTE

A price, before the work.

Quote

Logo design	15,000
Brand guidelines	9,000

Valid until 24 Oct

Approve quote

WHEN

Before you start

WHAT IT DOES

Sets out the price and scope so your client can say yes before any work begins.

IN PAIDFAST

Clients approve quotes online, and one click turns them into an invoice.

INVOICE

A request for payment.

Invoice

Logo design	15,000
Brand guidelines	9,000

Due 9 Nov

Pay now

WHEN

When you deliver

WHAT IT DOES

Shows what you did, how much is due, by when, and how to pay.

IN PAIDFAST

Every invoice comes with a pay link and a PDF.

RECEIPT

Proof that they've paid.

Receipt

Payment for INV-0058 24,000

Paid in full

WHEN

Once payment lands

WHAT IT DOES

Confirms the payment, so you and your client both have a record.

IN PAIDFAST

Receipts are issued automatically when an invoice is paid.

STATEMENT

The whole account, on one page.

Statement

INV-0051	12,000
Payment	-12,000
INV-0058	24,000

Balance 24,000**WHEN**

When the balance needs a recap

WHAT IT DOES

Lists invoices, payments and the running balance for a client over a period.

IN PAIDFAST

Account statements are on Starter (first month free).

PaidFast

All four documents,
one simple app.

Quotes, invoices and receipts free. Statements on Starter.
