01 · WHO OWES YOU

Check who still owes you

Open your unpaid invoices. Note which are overdue and which fall due this week.

02 · REMINDERS

Nudge before it is due

A polite reminder before the due date beats an awkward chase after it.

03 · OPEN QUOTES

Follow up open quotes

A quote with no reply is a lead going cold. Send one friendly follow-up.

04 · RETAINERS

Automate the repeat clients

Retainer, rent or subscription? Set a recurring invoice once, and it issues itself.

05 · YOUR RATES

Check your price list

Are your items and prices up to date? Fix them now, so the next invoice takes seconds.

PaidFast

Five minutes.
A calmer week.

Reminders, recurring invoices and a price list in one app.
